

Understanding the US China Trade War

Tactical Master

Defence

孫子兵法

Tactical Master Defence

- 7Tao believes in the peaceful resolution of conflict through learning about the past and the effects confrontational changes can impose upon the future.
- The Tactical Defence Master understands the concepts of war and business combined. His aims are dedicated to the 7Tao. He will muster the necessary forces to bring about change in an organization. His protocol is as follows:
- **A:** Use the 48 tactics shown in the Tactical Defence Level to promote market competitiveness in:
 - 1: Price – ahead of the competition.
 - 2: Delivery time – Faster than the competition.
 - 3: Quality – defect free.
 - 4: After Market – superior support services.
 - 5: Customers – value for money.
 - 6: Shareholders – value for shares.
 - 7: Employees – value to the company / plant.
- Once all of these elements and entities are performing at the greatest potential, better than the competition, and according to the needs of the company, the Tactical Master must sustain the progress made to stay at the top of the market.
- **B:** The Tactical Master will listen carefully to the instructions of:
 - 1: The Operational Master of Defence.
 - 2: The Strategic Master of Defence.
 - 3: The Grand Master.
- **C:** The Tactical Master of Defence will be aware of the plans of the Attack team who works opposite his department. He will monitor, listen and provide guidance to the following when necessary:
 - 1: The Strategic Master of Attack.
 - 2: The Tactical Master of Attack.
 - 3: The Operational Master of Attack.
- The defence tactics reinforce attack and vice versa.

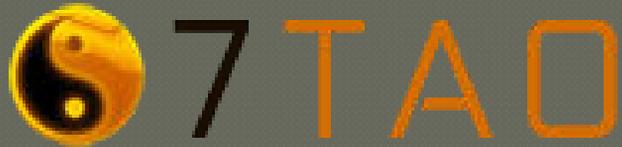

Tactical Master Defence
